CULTURAL RESOURCES MANAGEMENT CAREER EXPO

Having premiered at the 67th Annual Meeting in Denver, the CRM Career Expo co-sponsored by the Society for American Archaeology and the American Cultural Resources Association (ACRA) will be held once again from 1:00 pm to 4:00 pm in the rear of Exhibit Hall 300D (CC) on Saturday, April 12. Representatives from CRM firms and government agencies will be available to chat informally and individually with Expo attendees about their organizations, career paths available, etc. Individuals who would like to attend the Expo

but are not registered for the meeting will be given special Expo badges for free at On-site Registration beginning at 12:45 pm on Saturday, April 12. These badges are valid for entry to the CRM Expo and SAA's Exhibit Hall only.

EMPLOYMENT SERVICE

SAA's Employment Service Center (ESC) provides the resources you need to find the perfect match—job announcements posted for maximum visibility, résumés available for on-site review, and reserved interview space. The ESC will be open on Wednesday, 2 to 8 pm; Thursday, 8 am to 6 pm; Friday, 8 am to 4:45 pm, Saturday, 8 am to 5 pm, and Sunday, 8 am to noon in 203C (CC). Résumés and job descriptions may be registered with the service throughout the meeting. Interview space will be available by reservation, and message forms will be provided and box numbers assigned for use in the employment service message center. This service is free to employers and SAA members.

EXHIBITS

The SAA Annual Meeting Exhibit provides an exciting array of products and services for you to review—you'll find technology, field equipment, publications, archaeological services, and tours! All the tools and information you are looking for will be on display Thursday, April 10, through Saturday, April 12, from 9 am to 5 pm each day in the Exhibit Hall/Exhibit Hall 300D (CC).

GRADUATE SCHOOL EXPOSITION

Returning for the third year, there will be a Graduate School Exposition from 9:00 am until 12:00 pm in the rear of Exhibit Hall 300D (CC) on Saturday, April 12. Each of the grad schools represented will have a table tended by faculty who will be able to talk to prospective students. Individuals who would like to attend the Expo but are not registered for the meeting will be given special Expo badges for free at On-site Registration (CC) beginning at 8:45 pm on Saturday, April 12. These badges are valid for entry to the Grad School Expo and SAA's exhibit hall only.

LOST & FOUND

Materials lost at the Milwaukee Hilton are turned into Housekeeping. Dial House-keeping at extension 7130 on the in-house phone to retrieve items. Should you find an item, you may turn it in to front desk personnel who will deliver it to Housekeeping. Lost and Found at the Midwest Airlines Center is housed in the Security Office. To reach them, dial 908-6165.

MESSAGE CENTER

A self-service message center will be near Registration in the Pre-function space for Exhibit Hall 300D (CC) on Wednesday from 2 to 8 pm, Thursday and Saturday from 7 am to 6 pm, Friday from 7 am to 6:30 pm and Sunday from 7 am to noon. Please check the video monitor at the center to determine if a message has been left for you. You are also encouraged to complete a locator card (available in your registration packet and at the Message Center) and leave it with the attendant so that other registrants know where to reach you by telephone during your stay in Milwaukee.

OFFICE

The SAA Staff Office is located in the Miller Room in the Milwaukee Hilton and will be staffed from Monday April 6 to Wednesday April 9. On Wednesday, April 9, the SAA Staff Office will relocate to the Show Office for Exhibit Hall 300D adjacent to Registration in the Midwest Airlines Center.

POSTER SESSIONS

Poster sessions will be conducted in Ballroom C (CC) on Thursday (8 am to noon and 1 to 5 pm) and Friday (8 am to noon and 1 to 5 pm). Each session contains different posters, whose authors and space assignments are listed in the program. Awards for outstanding posters from this meeting will be presented during the awards ceremony (Friday, 5 pm).

PRESS OFFICE

The Press Office, located in 203D (CC), will be open Wednesday through Saturday, 9 am to 5 pm, and Sunday, am to noon.

REGISTRATION

Registration is located in the Pre-function Space for Exhibit Hall 300D (CC) and is open on Wednesday, 2 to 8 pm; Thursday, 7 am to 6 pm; Friday, 7 am to 4:45 pm; Saturday, 7 am to 5 pm; and Sunday, 7 to 8 am. Individuals who registered by March 7 can pick up their registration packets at the Advance Registration counters. Individuals who have not registered in advance should report to the On-Site Registration desk. A badge is required for admission to meeting sessions, workshops, roundtables, and exhibits. For those individuals registered only for a workshop and not the full meeting, special badge holders will be issued. A \$5 fee will be charged to replace a badge or program book.

ROUNDTABLE LUNCHEON/CONTINENTAL BREAKFAST

A limited number of tickets may be available to registered meeting participants for the Friday Thematic Roundtable Luncheons and the Saturday COSWA-sponsored Continental Breakfast Roundtables. Tickets for the luncheon (\$6.10) and breakfast (\$5.20) and details on topics and moderators are located at the On-Site Registration desk. Hurry! Roundtable lunch tickets will be sold until only 8 pm on Wednesday. Tickets for the COSWA-sponsored breakfast will sold until 5pm on Thursday. Meeting participants who registered in advance for a roundtable luncheon or breakfast will find tickets in their registration packets.

SAA BOOTH

The SAA Booth is bigger and better than before! Stop by to browse sample publications—the newest from our recently launched book program—shop the complete line of SAA gear (the official line of SAA merchandise), and pick up the latest information on your SAA member benefits. Not yet a member? We'll be happy to sign you up on the spot.

SILENT AUCTION

Visit the Native American Scholarships Committee (NASC) booth (#319) in the

SAA Exhibit Hall to place your bids on some "great stuff" while contributing to a worthy cause. The Native American Scholarship Fund fosters a new sense of shared purpose and positive interaction between the archaeological and Native American communities. How does the silent auction work? First, sign up for a bidder number at the NASC booth. Then, when you see something you want, decide how much you'd like to spend and write your bid and bidder number on the bid sheet. Of course, once others see your bid, they might decide to make an offer as well. So you'll have to stop by the booth from time to time to see if your bid is still the highest. If not, raise it and keep on trying. The bidding ends on Saturday at noon.

SMOKING POLICY

Smoking in meeting rooms is prohibited.

SPEAKER READY ROOM AND SLIDE SCREENING

For presenters who wish to check their slides before presentation, 35 mm slide viewers will be available in the slide screening area located in 203E (CC). Presenters must provide their own carousel trays. The slide screening booths will be open on Wednesday from 2 to 8 pm, Thursday, Friday, and Saturday from 7 am to 6 pm, and Sunday from 7 am to noon.

STUDENT, NEW MEMBER, FIRST-TIMER, & COMMITTEE WELCOME RECEPTION

Students, new members, members attending their first Annual Meeting, and all SAA committee members are invited to a reception on Wednesday evening from 9 to 10 pm in the Monarch Ballroom (H). The Monarch Ballroom is located on the main Lobby Level (2nd Floor). The Society's Board of Directors, as host, will provide a drink ticket for those registered for the reception; it may be exchanged for a soft drink or applied toward the purchase of an alcoholic beverage. Meeting participants who registered in advance for this reception will find the drink ticket in their registration packets.

SYMPOSIA AND SESSION CHAIRS

Please maintain the established

schedule in fairness to persons planning to attend particular presentations; please pause for the period allotted in the program if a scheduled speaker fails to appear. Please note that there are back-to-back sessions assigned to the same room. ***It is very important that all session chairs end on their scheduled times.***

FEATURED SESSIONS**OPENING SESSION:
Thinking and Drinking Beer:
Archaeological Perspectives [2]**

DATE: Wednesday, April 9

TIME: 7:30 to 9:30 pm

LOCATION: Midwest Airlines Center, Ballroom D

The signature beverage of archaeologists is also an important analytical medium for investigating the social and political dynamics of complex societies worldwide. To prepare for four days of scholarly discourse in the town that made beer famous, be sure to attend the Opening Session. It will quench your intellectual thirst.

**SPONSORED FORUM:
Resolving the Curation Crisis: Needs
and Opportunities [5]**

DATE: Thursday, April 10

TIME: 9:00 am to 12:00 pm

LOCATION: Hilton – Juneau Room

The curation of archaeological materials is widely perceived as being in a crisis mode in the U.S. Various professional archaeological and related organizations have been discussing and studying the problems over recent years. The present forum brings together representatives of these organizations, and all interested members of SAA, to pool information and discuss alternative solutions. A goal of the forum is to formulate a statement of needs and opportunities that can be presented to Congress, federal and state agencies, Native American tribes, foundations, museums and existing curation facilities and other interested groups that can help provide funding and organizational leadership to resolve the crisis.

**SPECIAL SESSION:
World Trade Center Archaeology:
Lessons for the Future [63]**

DATE: Friday, April 11

TIME: 9:00 to 11:00 am

LOCATION: Hilton – Monarch Ballroom

Our small volunteer team from Brown University, Brooklyn College, and the Providence Police went to the WTC March 1–3, 2002 and excavated under an invitation from the NYC Office of the Chief Medical Examiner to aid in the recovery of human remains for identification. We learned powerful lessons about how to prepare for such activities and how to convince the authorities that archaeology has a positive, humanitarian role to play. We especially invite anyone wishing to organize or join a local volunteer team in your area to participate in this special session. Anyone who is interested is welcome, too.

This session will be co-chaired by Dr. Richard A. Gould (Professor, Anthropology, Brown University & Team Leader, Forensic Archaeology Recovery (FAR)) and Dr. Katharine Woodhouse-Beyer (Asst. Professor, Anthropology, Bryn Mawr College & Deputy Team Leader, FAR). Specialists—all Brown graduate students in archaeology as well as FAR volunteers who deployed to the WTC—include Jennifer Trunzo, Paul White, and Brian Gohacki. If possible, we will also have Hillary Creely (Brown graduate student, Neuroanatomy & certified firefighter and EMT, FAR Safety Officer) and Sgt. Napoleon ("Nappy") Brito (Head, Bureau of Criminal Identification (BCI), Providence Police, RI).

**SPONSORED SYMPOSIUM:
Current Issues in the Western Great Lakes: Problems and Progress [113A]**

DATE: Friday, April 11

TIME: 2:00 to 4:45 pm

LOCATION: Hilton – Monarch Ballroom

The Western Great Lakes region is the vertex of cultural divides north and south, east and west, and the continental fulcrum of changing environments and advancing human frontiers. Its diverse archaeological record has challenged generations of archaeologists to relate uniquely Great Lakes developments to extraregional processes of cultural and environmental change. The problem-oriented papers in this invited session not only showcase recent advances in Western Great Lakes archaeology, but are also a great prelude to the Saturday field trips to local archaeological attractions.

CELEBRATE ARCHAEOLOGY BY USING YOUR BALLOT!

As in the past, your registration package includes a ballot for the Archaeology Week/ Month Poster Contest. Visit the Exhibit Hall display of these colorful advertisements for archaeology, beginning on Thursday morning. Use your ballot to vote for the one you like best. The ballot box is located near the poster display. The balloting will close at 12 pm on Friday, and the winners will be honored at the Annual Business Meeting and Awards Celebration at 5 pm on Friday. This is the seventh year the poster contest has been co-sponsored by the Public Education Committee and the Council of Affiliated Societies.

A WORD ABOUT THE SESSIONS

The sessions that make up the bulk of the program fall within four categories:

Forum—An interactive format organized around a tightly focused theme. Formal presentations are kept to a minimum to encourage discussion between presenters and audience.

General Session—Consists of Posters, Contributed Papers (15 minutes), or Research Reports (15 minutes), each submitted individually by its author(s). Presentations are grouped together by the program chair around a particular theme, usually geographic or methodological. Session chairs are designated by the program chair.

Symposium—Generally, a group of 15-minute presentations on a well-defined theme submitted together by an organizer. The organizer may or may not also chair the Symposium. Also includes poster presentations submitted as a group and organized around a single theme.

Electronic Symposium—A discussion format in which the organizer posts the papers on the web at least one month before the meeting. No papers are read at electronic symposium as it is assumed that attendees will have read the material beforehand. Generally a few minutes summary of the papers are the introduction to the two-hour discussion session.

Workshop—An instructional format designed to convey a specific set of skills or ideas.

Any of these sessions may be "sponsored" and/or "invited." The designation "sponsored" indicates the support an SAA committee, or an organization outside SAA. The designation "invited" reflects a special status and role within the meeting, as defined by the Program Committee Chair. All sponsored and invited sessions are subject to review by the Program Committee, as are all other submissions, and are subject to the three-role rule. Because numerous committees wish to sponsor sessions, the Program Committee must balance such requests with other program goals; as a result, in some circumstances, requests for sponsored sessions may be rejected. The only exceptions to the review process and three-role rule are the opening and plenary sessions.

Montreal in 2004

Plan now to attend the SAA 69th Annual Meeting in Montreal, March 31–April 4. Guidelines for contributors who wish to submit papers, posters, forums, or workshops for consideration will be mailed to all members in April 2003 and will be available at the SAA booth in the exhibit hall in Milwaukee, through SAAweb (www.saa.org), or request from SAA.
