This service is free to employers and SAA members.

EXHIBITS

The SAA Annual Meeting Exhibit provides an exciting array of products and services for you to review—you'll find technology, field equipment, publications, archaeological services, and tours! GRADUATE SCHOOL EXPOSITION

Returning for the second year, there will be a Graduate School Exposition from 9:00am until 12:00pm in Plaza Ballroom C&F on Saturday, March 23. Each of the 50 grad schools represented will have a table tended by faculty who will be able to talk to prospective students. Individuals who would like to attend the Expo but are not registered for the meeting will be given special Expo badges for free at the entrance to Plaza Ballroom C&F beginning at 12:45pm on Saturday, March 23. These badges are valid for entry to the Grad School Expo.

A self-service message center will be open at the Registration Desk next to Plaza Ballroom A on Wednesday from 2 to 8 pm, Thursday and Saturday from 7 am to 6 pm, Friday from 7 am to 6:30pm and Sunday from 7 am to noon. Please check the video monitor at the center to determine if a message has been left for you. You are also encouraged to complete a locator card (available in your registration packet and at the Message Center) and leave it with the attendant so that other registrants know where to reach you by telephone during your stay in Denver.

OFFICE

The SAA Staff Office is located in Directors Row F.

POSTER SESSIONS

Poster sessions will be conducted in Plaza Ballroom C&F on Thursday (8 am to noon and 1 to 5 pm) and Friday (8 am to noon and 1 to 5pm). Each session contains different posters, whose authors and space assignments are listed in the program. Awards for outstanding posters from this meeting will be presented during the awards ceremony (Friday, 5pm).

PRESS OFFICE

The Press Office, located in Directors Row G, will be open Wednesday through Saturday, 9 am to 5 pm, and Sunday, 9 am to 12 noon.

REGISTRATION

Registration is located in the South Convention Lobby in the Tower Building and is open on Wednesday, 2 to 8 pm; Thursday, 7 am to 6 pm; Friday, 7 am to 4:45 pm; Saturday, 7 am to 5 pm; and Sunday, 7 to 8 am. Individuals who registered by February 15 can pick up their registration packets at the Advance Registration counters. Individuals who have not registered in advance should report to the On-Site Registration desk. *A badge is required for admission to meeting sessions, workshops, roundtables, and exhibits. For those individuals registered only for a workshop and not the full meeting, special badge holders will be issued.* A \$5 fee will be charged to replace a badge or program book.

ROUNDTABLE LUNCHEON/CONTINENTAL BREAKFAST

A limited number of tickets may be available to registered meeting participants for the Friday Thematic Roundtable Luncheons and the Saturday COSWA-sponsored Continental Breakfast Roundtables. Tickets for the luncheon (\$5.70) and breakfast (free) and details on topics and moderators are located at the On-Site Registration desk. *Hurry!* Roundtable lunch tickets will be sold until only 4pm on Thursday. Tickets for the COSWA-sponsored breakfast will be distributed until depleted. Meeting participants who registered in advance for a roundtable luncheon or breakfast will find tickets in their registration packets.

SAA BOOTH

The SAA Booth is bigger and better than before! Stop by to browse sample publications—the newest from our recently launched book program—shop the complete line of SAAgear (the official line of SAA merchandise), and pick up the latest information on your SAA member benefits. Not yet a member? We'll be happy to sign you up on the spot.

SILENT AUCTION

Visit the Native American Scholarships Committee (NASC) booth (#329) in the SAA Exhibit Hall to place your bids on some "great stuff" while contributing to a worthy cause. The Native American Scholarship Fund fosters a new sense of shared purpose and positive interaction between the archaeological and Native American communities. How does the silent auction work? First, sign up for a bidder number at the NASC booth. Then,

when you see something you want, decide how much you'd like to spend and write your bid and bidder number on the bid sheet. Of course, once others see your bid, they might decide to make an offer as well. So you'll have to stop by the booth from time to time to see if your bid is still the highest. If not, raise it and keep on trying. The bidding ends on Saturday at noon.

SMOKING POLICY

Smoking in meeting rooms is prohibited.

SPEAKER READY ROOM AND SLIDE SCREENING

For presenters who wish to check their slides before presentation, 35mm slide viewers will be available in the slide screening area located in Client Office 1. Presenters must provide their own carousel trays. The slide screening booths will be open on Wednesday from 2 to 8 pm, Thursday, Friday, and Saturday from 7 am to 6 pm, and Sunday from 7 am to noon.

STUDENT, NEW MEMBER, FIRST-TIMER, & COMMITTEE WELCOME RECEPTION

Students, new members, members attending their first Annual Meeting, and all SAA committee members are invited to a reception on Wednesday evening from 9 to 10 pm in Windows. The Society's Board of Directors, as host, will provide a drink ticket for those registered for the reception; it may be exchanged for a soft drink or applied toward the purchase of an alcoholic beverage. Meeting participants who registered in advance for this reception will find the drink ticket in their registration packets.

SYMPOSIA AND SESSION CHAIRS

Please maintain the established schedule in fairness to persons planning to attend particular presentations; please pause for the period allotted in the program if a scheduled speaker fails to appear. Please note that there are back-to-back sessions assigned to the same room. *It is very important that all session chairs end on their scheduled times.*

FEATURED SESSIONS

OPENING SESSION

From Kennewick Man to the tragedy at Sand Creek, the West has been a backdrop for remarkable events for over 10,000 years. Opening Session scholars show us how to weave oral tradition, science, and history into an inclusive Western past. Don't Miss It!

WEDNESDAY, March 20, 2002 , 7:00 to 9:30 pm.

INTEGRATING MULTIPLE HISTORIES OF WESTERN PASTS

It is commonplace in archaeology to use multiple lines of evidence to investigate the past. This session explores relationships between three great sources of historical information employed by scholars working in the American West: oral, documentary, and archaeological. Efforts to bring these sources of information together have helped archaeologists locate sites, better understand processual issues such as the origins of ethnic groups, and build a rapprochement between the various academic and public constituencies having an interest in the interpretation of the past. Our participants work both sides of the "prehistory-history divide" in the American West, illustrating how different kinds of

integrative work lead to epistemological, theoretical, methodological, and empirical insights of general interest and relevance.

CELEBRATE ARCHAEOLOGY BY USING YOUR BALLOT!

This year again your registration package includes a ballot for the Archaeology Week/Month Poster Contest. Visit the Exhibit Hall display of these colorful advertisements for archaeology, beginning on Thursday morning. Use your ballot to vote for the one you like best. The ballot box is located near the poster display. The balloting will close at 12 pm on Friday, and the winners will be honored at the Annual Business Meeting and Awards Celebration at 5 pm on Friday. This is the sixth year the poster contest has been co-sponsored by the Public Education Committee and the Council of Affiliated Societies.

A WORD ABOUT THE SESSIONS

The sessions that make up the bulk of the program fall within four categories:

Forum—An interactive format organized around a tightly focused theme. Formal presentations are kept to a minimum to encourage discussion between presenters and audience.

General Session—Consists of Posters, Contributed Papers (15 minutes), or Research Reports (15 minutes), each submitted individually by its author(s). Presentations are grouped together by the program chair around a particular theme, usually geographic or methodological. Session chairs are designated by the program chair.

Symposium—Generally, a group of 15-minute presentations on a well-defined theme submitted together by an organizer. The organizer may or may not also chair the Symposium. Also includes poster presentations submitted as a group and organized around a single theme.

Electronic Symposium—A discussion format in which the organizer posts the papers on the web at least one month before the meeting. No papers are read at electronic symposium as it is assumed that attendees will have read the material beforehand. Generally a few minutes summary of the papers are the introduction to the two-hour discussion session.

Workshop—An instructional format designed to convey a specific set of skills or ideas.

Any of these sessions may be “sponsored” and/or “invited.” The designation “sponsored” indicates the support an SAA committee, or an organization outside SAA. The designation “invited” reflects a special status and role within the meeting, as defined by the Program Committee Chair. All sponsored and invited sessions are subject to review by the Program Committee, as are all other submissions, and are subject to the three-role rule. Because numerous committees wish to sponsor sessions, the Program Committee must balance such requests with other program goals; as a result, in some circumstances, requests for sponsored sessions may be rejected. The only exceptions to the review process and three-role rule are the opening and plenary sessions.

MILWAUKEE IN 2003

Plan now to attend the SAA 68th Annual Meeting in Milwaukee, April 9-13. Guidelines for contributors who wish to submit papers, posters, forums, or workshops for consideration will be mailed to all members in April 2002 and will be available at the SAA booth in the exhibit hall in Denver, through SAAweb (www.saa.org), or request from the SAA.
